(Boston, MA) || Dec. 15, 2011

Competing for the first time as a group at the NEM SCM Championships at BU (Boston, MA), WAMmies Gail Holland, Chelsea Bueter, Tom Stockl, Mary Pasquale and Paul Arsenault represented our group well. They all accomplished amazing times- some of which were equaled past personal bests, while others ranged up to 38 seconds.

These swims were the result of hard work done by the group and a testament to its potential.
