

FRAMINGHAM, MA – Worcester Area Masters (WAM) participated at the 22nd Annual Valentines Day Classic on February 23. After the meet, Dave Oates provided a brief recap on the action of the day. No official results were available.

There were 10 of us, 5 girls and 5 boys, and it was a fun meet, no pressure. We got to swim some events we might not choose as our best, just to try them out.

- Mary and Dave tried the breaststroke and did a good job.
- This was Brian's first meet in over 20 years. I think he is officially a fast guy.
- Ted's daughter Kaitlin fit in nicely.
- Ted's fly look excellent and he had a good time in the 50.
- Paul continues to do best times.
- Chelsea and Claudia won the push pull and the 3 arm races.
- Ben crushed everyone in the breaststroke.
- The tough swimmer was Gail in the 400 IM.
